Party Menu by the Tray

TLC Catering, Inc. realizes that parties are a lot of work. With that in mind, we came up with this Party “by the tray” menu with amounts that will suit your needs and you can leave the cooking to us!

We prepare our food using the finest ingredients and recipes handed down through the years.

We will deliver your food “Ready-to-Eat” in disposable pans or with “Heat & Serve” instructions. All you have to do is open and serve and take credit for serving Good Food, not banquet food to your guests!

Our large trays serve 40 people on average and the small trays 15-18. We will customize for a smaller group if you prefer and assist you in creating a menu.

Please look over the options below if there’s anything else you’d like us to provide when we deliver your food.
